# How to Settle in, Australia

The University of Southern Queensland (USQ) is a young, dynamic university dedicated to providing quality programs and degrees in a flexible and supportive environment. In just over 50 years, USQ has become a prominent teaching and research institution providing education worldwide from three regional locations – Toowoomba, Springfield and Ipswich.

The Toowoomba region founded USQ out of their passion to provide the best possible educational opportunities for local students. The vision and determination of our local communities has seen USQ grow and expand with a reputation as one of Australia's leading providers of on-campus and online programs in Australia and overseas.

They are proud of our history and the story of our Phoenix, which has always been a part of our identity and remains our most cherished visual asset to this day. The current USQ visual identity was launched in 2012, and has been instrumental in cementing USQ's reputation as a quality provider of education, contributing to our continued growth in our regions and ensuring we remain successful well into the future.

For more than 100 years, Victoria

University (VU) has offered accessible education to students in Melbourne's west and beyond.

VU is one of only six universities in Australia to offer courses in both TAFE and higher education. From certificates to diplomas, degrees and postgraduate courses, you can begin your studies at any point and pathway between courses to achieve your goals, regardless of your starting point.

Their aim to continue creating positive outcomes for education, industry and our community into the future.

# How to Settle in, UK

"LIBF focus is on lifelong learning; equipping individuals with the knowledge, skills and qualifications to achieve what they want throughout their career and life.

They provide a balance of experience, insight and thought leadership into today's financial world, delivered by industry leaders, thinkers and members of their community.

And because they've been at the heart of the sector since 1879, we create connections and build partnerships between people and business that make banking and finance more accessible and understood, and enhance social inclusion through better financial capability.

They are The London Institute of Banking & Finance, lifelong partners for financial education.

They are the only degree-awarding institution that is also an internationally recognized professional body. They deliver qualifications that are specific to the role requirements of the industry, based on contemporary real life as well as theory.

They are a registered, respected charity offering numerous financial qualifications of the Qualifications and Credit Framework (QCF) and are the awarding body for our professional financial services qualifications. LIBF were founded 140 years ago, in 1879.

# How to Settle in, USA

Concordia University Chicago is ranked #61 in Regional Universities Midwest. Schools are ranked according to their performance across a set of widely accepted indicators of excellence.
